# January 2006 Newsletter

Greetings of the New Year. Hope this finds everyone doing OK, and surviving all the rain and high water that we've had.

There hasn't been much of anything going on around the Applegate Valley other than watching the rain. The Museum has been closed since November.

At the annual meeting in November we held elections of the officers and board members. We were unable to fill the Vice President position at that time. Anyone that is interested in filling it, please let one of us know. It doesn't require a whole lot. They are as follows; President: Alice Matheny, Secretary / Treasurer: Barbara Niedermeyer; Board: John Black, Steve Decker, Isabel Goode and Margaret Stafford. Thank you for giving AVHS another year of your time.

May Ellen will soon be working on this season's display. She might even be calling on you for items for the museum. We will hope to be open in March. There is some ground maintenance that will need to be done, flower beds that need new plants, and general cleaning on the inside. The usual stuff after winter.

I have not had the time to put together a story for this month's newsletter and I apologize for that. I'm in hopes to have something for the next one. Please feel free to submit any little tidbit of information that you may have.

Our next meeting will be Saturday January 21, 2006 at the museum at 10:00 AM. See you then.

Respectfully,
Barbara Niedermeyer
AVHS Sect./ Tres.
